HAMATEUR CHATTER
The Milwaukee Radio Amateurs' Club, Inc.
The World's Oldest Continuously Active Radio Amateur Club

April 1980
NOW IN OUR 62ND SEASON

an "EDITORIAL" by ye "NON-EDITOR" charles kaetel

After years of peacful operation, your club officers were caught completely off guard when a member took over the April 3rd meeting of your club for over one-hour with a loud harangue in which he criticized the Board of Directors for errors in the By-Laws and for not using Roberts Rules of Order, which he continued to violate throughout his harangue.

To the many members of our club who are complaining about his behavior, I assure you that our officers will resume control of our meetings, and will appoint a Sergeant at Arms or two, and will carefully abide by the terms of our Charter, our By-Laws and Roberts Rules of Order. In the matter brought before the meeting, the Officers are currently procuring legal counsel.

After suitable preparation, at a special meeting called for this purpose, or, at a regular meeting scheduled and announced for this purpose, I am sure that this matter will be properly resolved. In the meantime, attend regular meetings and any special meetings so that you can protect your interest in your club. I assure you that EVERY member of MRAC has equal rights in the club.
